In this case, it would be reviewed for its relativity to this part of the Federal Acquisition Regulation.</li> </ul>
7.	<p>NATURE &amp; BACKGROUND OF ACQUISITION TO JUSTIFY SOLE SOURCE: Fargo VA HCS is responsible for providing monetary reimbursement for prescriptions filled by the North Dakota State Veterans Home – Lisbon (NDVH), for eligible veterans. As mandated by Joint Commission, contracting directly with a state veterans home (NDVH) is one of the four options allowed and the most practical due to cost and time efficiencies to be realized by the on-site pharmacy at the NDVH to care for resident veterans. These prescriptions are vital to the health and welfare of the facility's resident veterans.</p> <ul style="list-style-type: none"> <li>Describe the minimum salient characteristics that will meet your needs. This is the area where you explain why no other vendor anywhere can supply this requirement for you. Acceptable reasons for "sole source" include (but are not limited to): bound by contract, technical order specification, warranty service, or regional standardization. If the reason for sole source is determined locally, offer what market research or clinical guidelines led to the decision. If this item is included in an allowance standard for War Reserve Materiel (WRM), cite the allowance standard, required source, and stock number for this item. NOTE FOR WRM PURCHASES: The Defense Logistics Agency is your primary source for WRM equipment. Be sure to determine availability from a DLA item manager before contracting for WRM equipment. If DLA cannot meet your timelines for WRM equipment, your urgency may be further justification for other than full and open competition. See your Medical Logistics Flight Commander for more details.</li> </ul>

determined locally, offer an explanation of the source selection process you went through to determine your sole source requirement. Unacceptable reasons include (but are not limited to) personal taste, good relationship with existing vendor, or one's comfort level with a particular vendor.

- Describe the similarities and differences in vendors for the product that you are aware of that could assist or prevent the purchaser from obtaining the best value for you. Be sure to name the vendors. This section will help the purchaser decide which vendors are available to purchase this item from. If market research was not conducted, state it AND the reason that there was no market research.

**9. PRICE ANALYSIS "FAIR AND REASONABLE": *Proposal cost analysis will be performed by requesting service and contracting staff.***

- This section is mandatory. Do not leave this section blank. Even though this must be purchased from only one source, you must still obtain a quote from the vendor for this purchase. This way you are able to verify added costs for delivery, your geographic region, or installation. Cite the pricing here. If you purchased this item before, compare this price to what you paid last time. Cite this here as well.

**10. LISTING OF SOURCES EXPRESSING INTEREST IN THIS REQUIREMENT: North Dakota Veterans Home, 1400 Rose St, Lisbon, ND 58054-4846, ph 701-683-4125**

- Enter or attach contact information for sources you cited in the description of your source selection. If sole source by statute, regulation, or standard, list contact information for that source here.

**11. FUTURE ACTION TO OVERCOME BARRIER TO OTFOC: This is an ongoing service with the Lisbon State Vet Home for eligible Veterans. A IDC contract will be set up in the future to overcome this action.**

- This section fulfills the legal requirement to affirm that the selection of a singular source for this requirement is an anomaly and that action will be taken in the future to ensure full competition in the future. The reason this is needed is to describe how the government will make an effort in the future to fully comply with standard acquisition practices and not resort to creating unnecessary partnerships with few vendors at the risk barring full competition to circumvent the FAR. By signing this, you are telling the contracting officer to avoid the processes that assure best value and fairness in this acquisition. If the reason for sole source purchase is because of statute, standard, or regulation, enter "THE SOURCE FOR THIS PURCHASE IS REQUIRED IAW [cite the standard here]."
